### **Wedding Package**

Doe Run Inn offers our inn, our hill overlooking the creek, or our island for wedding ceremonies. The cost for the hill or the island is \$500. There are pews on the island for seating up to 45 people and you may rent additional chairs for \$.50 each. The island contains many electrical outlets. The hill has no electricity, but you may run an electric cord from the inn. We apologize for the lack of modern conveniences for the island and hill, but the natural beauty of our surroundings is the main attraction for weddings.

We have four dining rooms total and two of those rooms may be used privately. The Wagon Room seats 90 and the Old Mill Room seats 60. Both rooms have been used extensively for receptions, meetings, reunions, get-togethers, and retreats. The wagon room is located on the first floor of the inn, next to the buffet room. The Old Mill Room is located on the basement floor and opens up to the hill.

Our meals run from \$10 to \$25. I prefer that the wedding party set their budget for their meal and decide on the type of food they desire, then I can make suggestions for the menu. If you have a particular meal in mind, we can accommodate you. We will work with you to make your occasion affordable. Buffets, obviously, are more affordable, but we offer sit down service also.

We will provide white tablecloths and white cloth napkins for all events. Any other colors and all decorations are the responsibility of the wedding party. We allow rooms to be decorated ahead of time with certain restrictions. We operate a busy restaurant and cannot close all rooms to the public the day before a ceremony. We provide a room for the bridal party to dress. We also make sure that any area used for the ceremony or the reception is mowed and cleaned.

Bigger parties and those wishing an outdoor reception may wish to look into renting a tent. We do not rent tents, as we leave that to the professionals. The island has hosted receptions as large as 200 (to my knowledge) and I have heard of groups of 300 for certain functions.

We require a 50% deposit on rental of the hill or island. The deposit is non-refundable for any reason, including weather. We urge all parties to inquire about tents in the event of inclement weather.

In our experience, every wedding party will have a different wish or dream for their wedding. We will do what we can to make that happen for you. Please call with any requests.
